## SEPTEMBER 2009

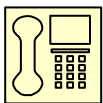

### DLCD Executive

Bob Santo (chairman), Sadie Gross (vice chairman), Craig Kurz, Bernie Doyle, Paul Greening, Jim McClelland & Don Stewart.

### Lease Renewal/Transfers

If your account is not in good standing or your property taxes are not paid, your lease renewal request will be automatically denied. A lease transfer is considered any addition to the original names on the lease. The fee for lease transfers is \$1,000. Names can be removed from the lease at no charge as long as one original name remains. Adding spouses or children is considered a transfer. There are legal and tax implications when adding names to a lease so please obtain professional advice before doing so.

### Website / Phone List

At the last annual meeting, it was noted that a lot of people would like to see information on the website instead of mailed out. Please check this website for updates as we will be adding new information. The park is developing their own website as well with additional information. If you wish to receive information by email, please indicate by emailing us at [dlcd@live.ca](mailto:dlcd@live.ca)

Please include your name, address, cottage number, home phone, cottage phone and cell phone number. We have a call list set up in case of an emergency and this is the information that we need.

### Wild West Steelhead Fish Farm

Many people took the time to sign the petition and send letters to the government regarding the proposed expansion. If you have not sent in the petition, one is enclosed with your newsletter. Please take the time and send this in. Our lake is important to us and future visitors/residents and we want to keep it in its pristine condition.
